HIGHLANDS

Within Spanish Peaks, the Highlands occupies a privileged location. Every home has access to skiing and hiking trails. The Clubhouse is just a short stroll down the hill. And a proposed hotel is even closer.

A HIGHLANDS SKI TRAIL
Skiing becomes more convenient – and much more fun – when you can jump on your own neighborhood ski trail and head for the slopes.

B FLATIRON LIFT
The mountain just got a little bit closer. From your home to the Highlands Ski Trail to the proposed Flatiron Lift – it’s one easy, continuous path to the slopes of Big Sky Resort.

C CLUBHOUSE AND GOLF
This is the place to meet for lunch, join a foursome, swim some laps, enjoy a workout, get the kids involved in Kids Camp, or rendezvous for skiing, snowshoeing, mountain biking or a nice long soak in the hot tub. All just a short hike from home.

D NEIGHBORHOOD PARK
In the heart of the neighborhood, a place for barbecues, picnics and bocce ball. There’s a play area for little ones and plenty of sports gear. Or just relax in the hammock grove.

E HIKING AND BIKING TRAILS
“Get out here!” That’s what these trails seem to be saying to you. Get out and move your legs, breathe deep and enjoy the scenery. Whether you’re going to the Clubhouse or nowhere in particular.

F BIG SKY TOWN CENTER
Just a few minutes down the road you can pick up fresh kale at the farmers market, watch a rodeo, attend a music festival or grab a bite at a good local restaurant.
